Good Manufacturing Practices (GMP) for Food Operations Course

December 1-2, 2020
Virtual interactive course through WebEx

Glenn Black, Ph.D.
Associate Director of Research, FDA

Dr. Glenn Black is Associate Director for Research, Division of Food Processing Science and Technology (DFPST), Office of Food Safety (OFS), Center for Food Safety and Applied Nutrition (CFSAN), U.S. Food and Drug Administration (FDA) jointly located at the Institute for Food Safety and Health (IFSH), in Bedford Park, IL. In this role, he provides guidance and support for research conducted at the center in the areas of food microbiology, processing, chemistry, packaging and serves as a subject matter expert for food processing related issues.

Prior to joining the agency, Dr. Black served various roles in the food industry related to the evaluation and recommendation of processing equipment and parameters, as well as research and development in microbial food safety.
Robert Brackett, Ph.D.
Vice President and Director, Institute for Food Safety and Health (IFSH), IIT

Dr. Robert Brackett is Illinois Tech Vice President and Director of the Institute for Food Safety and Health (IFSH), where he serves on the IIT administrative leadership team and directs the scientific and training programs at IFSH. Dr. Brackett has over 30 years of experience in food safety research, training, and policy. Prior to coming to IIT, Dr. Brackett was Senior Vice President and Chief Science and Regulatory officer at the Grocery Manufacturers Association (GMA). Before joining GMA, he served as Center Director at the U.S. Food and Drug Administration’s Center for Food Safety and Applied Nutrition (CFSAN), where he provided executive leadership to CFSAN’s development and implementation of programs and policies. Dr. Brackett has also held professorial positions with North Carolina State University and the University of Georgia. Dr. Brackett received his doctorate in food microbiology from the University of Wisconsin-Madison.
Dr. Jason Wan is the Associate Director for the Institute for Food Safety and Health (IFSH), and Professor of the Department of Food Science and Nutrition, Illinois Institute of Technology (IIT), U.S.A. Prior to joining IFSH in July 2009, Dr. Wan was a Post-Doctoral Research Fellow at the University of Melbourne (1992-1995), and a Senior Research Scientist and a Platform Manager at the Division of Food and Nutritional Sciences, Commonwealth Scientific Industrial Research Organization (CSIRO), Australia (1995-2009). Dr. Wan serves on the Management Leadership Team of the Food Safety Preventive Controls Alliance (FSPCA), as well as on a number of subcommittees of the Alliance, including Editorial, Implementation, and International subcommittees. Dr. Wan is a Trainer-of-Trainer for FSPCA Preventive Controls for Human Food, and for Foreign Supplier Verification Programs Lead Instructors courses. Dr. Wan served as a supervisor for over 10 Ph.D. and numerous M.S. students, and is an author of over 200 scientific publications and invited conference presentations. Dr. Wan served as the Chair (2016-2017) for the Institute of Food Technologists (IFT) Nonthermal Processing Division (NPD), a member of the Nominations Advisory Committee for the International Union of Food Science and Technology (IFUFOST), and a subcommittee member of the International Commission on Microbiological Specifications for Foods (ICMSF). Dr. Wan also served on the Editorial Board of Journal of Food Protection (2011-2014), and was a guest editor for Trends in Food Science and Technology, and Innovative Food Science and Emerging Technologies, and Food Control journals.
